THE REVERIE OF A DOWNTOWN CHURCH

I am a downtown church. Some people rather pity me, for they think I am destined to grow weak and die. But they do not know me, or they would know better.

I have an honorable history. I was here more than a century ago, and I will still be here a century hence. Long after neighborhoods have changed and good neighborhoods have deteriorated, and strong neighborhood churches have become weak neighborhood churches, I will continue to be strong.

For I am in the heart of the city, and my ministry is not to a section of the town, but to the entire city, for I reach out in every direction. My ministry touches every neighborhood, and it extends to all classes.

I am not provincial in my outlook. In me, the rich and the poor mingle in the fellowship of worship. Through me the poor are ennobled and enriched, and the rich are made generous and gentle.

I live to serve. I exist for others. This may be the reason why I continue to keep my strength through the years.

It is sometimes said that I am not so convenient to attend. But who ever said that religion is to be a thing of convenience? If pilgrims of Israel could travel the length of Palestine afoot to attend the special temple services at Jerusalem, surely the twenty minutes it requires to come to the heart of the city is not too much.

You come downtown to shop. You come downtown for your entertainment. Many of you come downtown to work. Is it any more of a hardship to come downtown to worship?

You would not want me to die through your indifference, any more than you would want your downtown postoffice, courthouse and department stores to die.

I leave my future to you, for my place in the city depends upon your loyalty. I believe that I can count on you.

THE RECTOR'S REPORT

THE FELLOWSHIP OF ST. STEPHEN'S CHURCH — GREETINGS:

In keeping with the tradition of historic St. Stephen's Church, the pioneering spirit throughout the years, and the courageous and distinguished clergy, it would seem appropriate at the close of the first half of the twentieth century to "take stock" of what she stands for today. We shall call it our *Charter*:

St. Stephen's Church exists today because we believe the Gospel of Christ is the answer to the world's needs. We are in this particular geographical spot by choice. We have resisted opportunities to move to the suburbs because we want to be in the midst of all types of people. We have seven-day-a-week activities because Christianity is not just a Sunday affair, but a total way of life to be learned and practiced. Human need is to be met in worship, recreation, service, fellowship, and education. Therefore, we have organizations, committees and clubs as well as daily services of worship.

I like to think of a church situated as this one in the midst of the city's life, as a place where people can come and have their hopes restored. I like to think of it as a rehabilitation center for human dreams. I think the church may fittingly be described as a place where people discouraged, broken, weary, lacking in energy, can come hobbling in as it were, and be touched by a Power that is not of this world and can go out with the light of expectation and the radiance of dreams in their hearts, and a conviction that they can, after all, achieve their cherished hopes.

As you read the thirty-seven parish reports in this book, I think that you will share my unbounded enthusiasm about St. Stephen's Parish, its present, and its potentialities. What great opportunities and wonderful privileges lie before us in the second half of the present century! And we must needs go forward into 1950 with the humble but earnest prayer that we may be made to grow more worthy and to be found more efficient day by day.

The past year has been one of unusual expansion materially and spiritually. The total attendance at the worship services was 48,388, which was 5,597 over the previous year. There were 436 services during the year. The Rector conducted 376 services and preached 220 sermons. The attendance at the Sunday services was 14,782. 973 attended the 9:00 A. M. service, 10,230 attended the 11:00 A. M. service and 3,579 attended the 7:30 P. M. service. The attendance at the week-day services was 28,989 and the special services numbered 4,617.

Not only were all attendance records broken last year, but the contributions showed a remarkable increase also. Mrs. Anna Hauger who succeeded Miss Marion Headman as Treasurer of the Envelope System reported \$30,574.07, the largest amount to come through the Envelope System and Special Envelopes. Our total including income from Endowments amounted to over \$75,000.00. We met our missionary quota of \$5,000.00. We raised \$1,769.38 for the Presiding Bishop's Fund. We gave \$500.00 for the Radio Program of the National Church, \$613.11 to the Episcopal Hospital, \$1,247.41 to the support of the Episcopacy, \$124.67 to Theological Education. Over \$2400.00 was contributed for our various parish benevolences, such as Christmas Dinners, Benevolent Society and Charities. We

added \$10,000.00 to our Endowment Funds from a bequest of Mrs. Mary Lamb Walton. \$16,560.00 was pledged to the Organ Fund and \$7,200.00 of this sum was paid to the Treasurer.

St. Stephen's Church is a great missionary enterprise. It not only serves the spiritual needs of our community seven days a week, but plays an important part in spreading the Good News through the total impact of the Episcopal Church in the Diocese, National and World-Wide levels. We have great and important responsibilities here on Tenth Street, but we must never lose sight of our important responsibilities to the Diocese and National Church.

We are extremely fortunate here in St. Stephen's in having a hard-working group of Vestrymen. Mr. Edward S. Morris, Treasurer of the Burd School and Chairman of the Administrative Committee has done a remarkable piece of work in meeting the present-day problems of this great Trust and responsibility of the Rector and Vestry of St. Stephen's Church. Mr. Charles K. Hay has assumed responsibility for the operations of the Community House and has done a remarkable job. Mr. Edwin S. Heins as Superintendent of the Sunday School has changed the hour to coincide with the 11:00 o'clock service and is developing a school that we can be justly proud. Mr. Wilson Leithead is heading up a program for adult religious education which promises to be extremely worthwhile. Mr. Lyman continues his good work in the Scouts. Mr. Raspin as Accounting Warden and Chairman of the Executive Committee continues his masterful control and execution of our Trust Funds, making our portfolio the envy of all similar institutions. Dr. Herbert Old, Rector's Warden, Chairman of the Organ Fund, has set us on the way of procuring a new organ to replace our present 44-year-old instrument which is literally falling apart. Mr. David L. German, Secretary of the Vestry; Mr. Harry Hauger, Chairman of the Property Committee, and the rest of our splendid Vestry are individually and collectively a Rector's dream of what is required of this important office.

The Thursday Healing Services continue to grow in numbers and helpfulness. Five thousand attended these services last year which was an increase of almost two thousand from the previous year. Organic, functional and emotional cures occur with satisfying regularity. People come from all over the city and suburban areas as well as from neighboring states. Correspondence with people from all over the country is growing to the point of being a problem to the rector and staff. September the rector was invited to conduct a three-day clergy conference on the subject of Spiritual Therapy in the Diocese of Pittsburgh. Several opportunities to present the subject before Theological students at Temple University and the Philadelphia Divinity School indicate the ever increasing interest in this subject among the leaders of the church.

Spiritual healing, we are convinced, is based upon solid foundations of Holy Scripture, sound science, psychology, and common sense. The basic principle on which we operate is that man is a unit of body, mind and spirit. Any malady that affects one part of that unity affects the other parts of that unity.

Hawthorne, in *THE SCARLET LETTER*, writes: "A bodily disease which we look upon as whole and entire within itself may, after all, be but a symptom of some ailment in the spiritual part."

The ministry of healing is something that can and should be practiced by all members of the clergy. The only contribution we have made here in St. Stephen's is the fact that a clergyman can find a place for an effective ministry of spiritual healing without compromising the other essential responsibilities of his office. Spiritual Therapy is important but it is only one of a number of important teachings and disciplines of the church. By its neglect on the part of the orthodox churches, all sorts of cults have developed.

We have been practicing Spiritual Therapy at St. Stephen's for the past eight years. During that time, we have seen every type of physical, emotional and spiritual disease cured at the altar rail of the church, from colds to cancer, from earache to epilepsy, from arthritis to chronic alcoholism, from mental depression to mental derangement. "People in trouble" come to the rector's study for consultations in ever increasing numbers and several hundred people weekly come regularly to the church on Thursdays for the healing services.

One of my valued professors in Theological School in the subject of pastoral care, Dr. Richard C. Cabot, for many years professor of social ethics at Harvard Medical School, and eminent leader in medical and social education, said to our class one day that the minister could be doing 75 per cent of the healing work of the physician and could do some of it better than the physician, if he knew his business. Such was his estimate of ministers' opportunities for spiritual therapy.

By virtue of our church's location in the heart of the city, we have particular advantages in the field of spiritual therapy. Hardly a day goes by without several tangled personalities coming to the rector's study for counseling help to share with him their deepest needs and to seek encouragement in making constructive adjustments.

As I look back over the last eight years, since I accepted this commission to include healing the sick as a normal part of my ministry, it is rich with the memory of a large number of children well and vigorous today, who would, in all likelihood, have died as babies unless they had received this ministry of Christ, and a long series of people of all ages suffering from a great variety of diseases who were healed, either without medical care and, or in co-operation with it, or when medical aid could do no more and simply waited on the issue, usually expecting death.

Meningitis, pneumonia, asthma, blood pressure, duodenal ulcer, cancer, fibrous growth, arthritis, lumbago have all yielded to the power of Christ through the laying on of hands and if only every minister of Christ had the faith to offer himself as a channel of His healing, and teach his people to support the ministry with prayer, the mighty works which Christ would do, would become a powerful instrument of evangelism, and open fresh doors to the preaching of the Gospel, in an age when so many have come to feel that the church has nothing that they need.

In closing let me take the opportunity of thanking all the workers and leaders of our parish organizations for their consecrated service to God which the following reports in this book reveal. Let us continue to dedicate ourselves to the development of friendly and spiritual relationships of person to person, person to community, and community to God, that the personal ministry of St. Stephen's may be felt by increasing numbers in the year ahead.

Faithfully yours,

ALFRED W. PRICE, *Rector.*

REPORT ON ACTIVITIES OF THE VESTRY FOR THE YEAR 1949-1950

In the preceding Church Year the Vestry held its usual number of regular meetings and various committees of the Vestry such as the Executive, Burd School, Community House, Church Property, Music and Organ Committees held numerous meetings and their actions and recommendations were reported to and acted upon by the Vestry. As usual, a large number of financial transactions involving the purchase and sale of securities, acceptance or rejection of mortgage applications, the problem of adequate insurance and various other matters were acted upon by the Executive Committee. The Accounting Warden submitted statements of receipts and disbursements for the preceding month at each monthly meeting as well as the auditors reports on the examination of his books and records covering the years 1948 and 1949, a budget for 1950, and numerous recommendations and resolutions relating to church bookkeeping, withdrawal of funds, allocation of securities and investments, all of which were accepted and approved by the Vestry.

The Treasurer of the Burd School made verbal reports from time to time of various improvements and economies in the operation of the School, and the Superintendent of the Church School made various recommendations, suggestions and reports, all of which were adopted and approved by the Vestry.

In addition to numerous matters of a routine nature, the Vestry considered a variety of problems involved in the operation of the Community House and the conduct of the Church School, the adoption of a budget, the election of delegates to the Diocesan Conventions, the Organ situation, the replacement of the Carillonic Bells, Church Advertising, the Healing Services, installation of microphones, postulants and a variety of other topics, including—last but not least—the “One World In Christ” program as it affects our parish.

Through the Burd School Committee the Vestry remained in close touch with conditions at the Burd School and monthly reports from the Directress, Miss Charlotte U. Day, were read and approved at each regular meeting of the Vestry.

All meetings were held in the Rector's Study except that of February 13, 1950, which was held at the Burd School. We of the Vestry note with great regret the passing of Dean Emory R. Johnson to his heavenly reward, and the continued inability of Mr. James B. Mearns to attend our meetings and the services. All meetings have been presided over by the Rector, and he has also, as usual, kept the Vestry fully informed on all Staff matters and religious topics. Our admiration for the Rector increases with the years, and his own example continually inspires all of us to exert our best efforts for the benefit of the church.

Respectfully submitted,

DAVID L. GERMAN, *Clerk of the Vestry.*

An interesting and most useful analysis of contributions which have been made during the year for Parochial Maintenance, Diocesan and General Church Purposes and Special Parochial Purposes will be found in the excellent report of Mrs. Anna J. Hauger whose valuable work as Parish Treasurer is most deeply appreciated by me and I know by all who are interested in our work. With such capable assistance, freely given, the work of the Accounting Warden has been very much aided.

During the year 1949 the receipt was gratefully acknowledged of the legacy of \$10,000.00 given under the Will of the late Mrs. Mary Lamb Walton, who appointed out of the estate of her grandfather, the late William Bryant, a bequest in that sum in his memory. A tablet has been placed in the pew formerly occupied by Mr. Bryant and his family in remembrance of him and his family.

Total\$45,460.78

The investments constituting all of our capital funds are in sound and income paying securities, appropriate for the requirements of each fund, and, in many instances, show values in excess of the figures at which they are carried on our books.

Our books and records, as well as those of our Fiscal Agents and Trustees of the Trusts of which we are Beneficiary, continue to be the subject of audit and examination and reports thereof certifying to their accuracy are on file for inspection.

It is with a deep sense of gratitude that I extend to all who have aided in the successful conduct of our works my deep appreciation and again renew the wish for the continued support and loyalty of all to our worthwhile activities.

Respectfully submitted,
I. SMITH RASPIN, *Accounting Warden.*

NOON-DAY SERVICES

The Noon-Day Program has now broadened in scope so that services are held every weekday except Monday and Saturday. The Tuesday Business Men's Club with luncheon has increased in growth since it was started in the latter part of 1948 with 1,945 in attendance. The Wednesday services which have been a permanent feature for years, continue to show growth with a total attendance of 1,772. This is followed by a celebration of the Holy Communion once a month.

The two Thursday Healing Services have shown tremendous growth and appeal with 4,936 persons availing themselves of this healing mission. Dr. Price refuses to take a plate offering, feeling that its effectiveness would be destroyed. People who have been benefited have voluntarily contributed more than the other services combined. There is also a Communion Service every Friday at which 15,531 were in attendance.

The combined attendance figures are 10,178 against 7,223 reported last year.

Respectfully submitted,
J. LEWIS ARMSTRONG, *Secretary.*

NOON-DAY LENTEN SERVICES

For the entire forty services, fifteen speakers were presented, including our Rector. The roster was substantially the same as last year including Dean Moor of Pittsburgh, Dean Adams of Trenton, Dean Emerson of Cleveland, Dean Gifford of the Philadelphia Divinity School, the Rev. W. Hamilton Aulenbach of Germantown, and Dr. John Gayner Banks of San Diego, California. The total attendance amounted to 18,811.

The Ash Wednesday service was conducted by Bishop Armstrong, with an attendance of 1000. Our traditional Good Friday program was continued with Bishop Remington preaching in the fore-part, followed by the rendition of the "Crucifixion" by our Choir under the direction of Dr. Matthews, and in which the congregation joined heartily in singing the hymns. The service was concluded with the Hour of Meditation again conducted by Bishop Remington. Approximately 6,000 attended the Good Friday services.

It is noteworthy that the offerings from our entire Noon-Day services have amounted to over \$4,200.00, and after paying all expenses these two funds this year contributed \$2,500.00 to our parochial support.

Respectfully submitted,
J. LEWIS ARMSTRONG, *Secretary.*

ORGANIST AND CHOIRMASTER'S REPORT—1950

A choir report is always rather a difficult one to make, since the congregation is interested solely in the ensemble attained rather than in the individuals making up that ensemble. This is perhaps as it should be, since good Episcopal Church music should be of a purely impersonal type based upon a rich choral tradition of many years. We are always trying to preserve this heritage with a standard as high as it is possible to attain.

I will therefore turn to a matter very much on our minds at the present time, and that is the condition of our forty-three-year-old organ. Some two years ago I reported to our Vestry that the entire mechanism of our instrument was in very bad condition. The four or five experts upon whom we called for advice have since confirmed this opinion. The situation of course continues to grow worse as time goes on. At present the leakage of air from the cracked wind-chests is so great that I estimate we are getting only about 40 per cent of the normal amount of wind pressure necessary to supply the pipes with air. To be specific, this means that only about 40 per cent of the organ can function properly now and any attempt to use its full resources must result in very discordant and out-of-tune sounds which are very apparent to me at the present time.

The necessity of either replacing this worn-out mechanism or doing whatever seems advisable in the interests of high musical standards and economy is something which I feel should command early attention before matters get even worse, as they are bound to do.

Respectfully submitted,

H. ALEXANDER MATTHEWS.

PARISH VISITOR'S REPORT

As Parish Visitor of St. Stephen's Episcopal Church, I have compiled this Annual Report in order that the members of the congregation may have a clear picture of the work that I am doing.

During 1949 I interviewed in my office five hundred and two people who came to St. Stephen's with various problems. These problems were those of unemployment, hunger, lack of adequate clothing, loneliness, sickness, and many other such problems. Each person's problem was dealt with sincerity and with a genuine desire to help.

Several were directed to jobs, some of which materialized either temporarily or permanently. Many were provided winter coats and other warm clothing to protect them from the biting cold or to make them presentable for jobs. A great deal of time was spent talking with people whose only need was that of unburdening their problems to someone sympathetic who might understand. In several cases appointments for medical aid and tests were arranged, at the Philadelphia General Hospital. Still others were directed to comfortable rooms, which have been listed here, by members or friends of St. Stephen's Church.

One hundred twenty-five dollars was disbursed for food, clothing, shoes, carfare to jobs or necessities necessary to the various emergencies.

Sixty-seven calls were made during last year at Hospitals, Homes for Aged and Shut-Ins, plus some shopping for a few of the Shut-Ins.

Three hundred ninety-two calls were made on members of St. Stephen's Congregation, the Hard of Hearing Congregation, and members of the Mailing List.

The first, second, third and fourth and final installments of Literature for the Guild of the Little Children were sent to those children who were baptized during 1949.

These duties along with other daily routine duties were performed by me cheerfully and to the best of my ability during the past year.

Respectfully submitted,

MADELINE KELLER, *Parish Visitor.*

COMMUNITY HOUSE REPORT FOR 1949-50

The Community House of St. Stephen's Church has become a center of great activity. The many organizations meeting regularly throughout the year are The Girls' Friendly Society, The Friendship Club, The Mothers' Meeting, The Church School of St. Stephen's Church, The Woman's Auxiliary, The Woman's Auxiliary for Hard of Hearing, The Camp Farthest Out, The Boy Scouts, and the Junto Adult Education Groups.

The excellent facilities of the Community House have been an asset in making many social occasions a great success. Bazaars, dinners, square dances, and entertainments have brought to our Community House a spirit of good fellowship.

The fine condition of the Community House with practically no property damage has been in a measure due to some changes in management procedures. Mr. William D. Smith, a member of our congregation, has been appointed as Director of all Community House Activities. It is his duty to schedule and supervise the activity of all groups using the facilities of the Community House. A report on all groups and their activities is submitted by the Director to the Community House Committee of St. Stephen's Church Vestry for approval.

The Women's Committee of the Community House has formulated rules governing the disbursement of all equipment such as tables, chairs, linen and silver. A woman has been appointed to assist the Director in keeping the building in a clean and orderly condition. The work of the Women's Committee has reduced to a minimum the cost of replacing equipment and property.

In the face of rising costs, the operation of a seven-day-a-week program in the Community House is a costly operation. It is necessary that all groups using the Community House co-operate with the Director and the Vestry Committee in their effort to reduce expenses. To all who have co-operated in this work during the past year we are deeply grateful.

There are few members of St. Stephen's Church who realize the great use that is made of our Community House by various groups. It houses the activities of most of our parish organizations. In addition, it is used by diocesan organizations and civic groups. During the year 1949, our records indicate that the facilities of the Community House were used by over 47,000 persons. We are anxious to extend this usefulness. It is obvious that to do this there must be careful planning, organization and supervision by the Director. It is imperative that all who use our resources be willing to share the work and the financial responsibility involved.

It has been a policy of long standing to distribute literature in the Community House advertising the religious services being carried on in the Church. The Church does not exist for the Community House, but rather the Community House exists for the Church. There is a great opportunity for missionary work by all Church groups using the Community House. All organizations using the Community House should be encouraged to affiliate themselves with the work and the worship of St. Stephen's Church.

This report provides opportunity to express grateful appreciation of the co-operation, confidence, and friendship accorded me by the Rector, Vestry and staff of St. Stephen's Church.

Respectfully submitted,

CHARLES K. HAY, *Chairman*

For the Community House Committee.

BURD SCHOOL ANNUAL REPORT FOR 1949-1950

Burd School reopened Friday, September 9, 1949, with a registration of twenty-nine girls.

Since the beginning of the school year we have admitted three girls, increasing our enrollment to thirty-two girls, which is our capacity. The heaviest enrollment is confined to the lower age bracket. There are eight girls attending kindergarten, fourteen girls in elementary school, and ten girls in junior and senior high schools.

The girls have attained an even higher scholastic standard than last year. One girl graduated from Shaw Junior High School with distinguished honors, and four others have been meritorious this year.

Several of the Burd School girls have the honor of being chosen officers and serving on the Students' Councils.

Religious instruction has been carried on in the same manner as last year. One of our girls was confirmed.

It is a pleasure to report that the girls have increased their extra-curricular activities. Several of them have invited girls outside the school for parties and to stay overnight.

Outside of the fact there were a few cases of measles, colds, two tonsillectomies, and two cases under observation in hospitals, our health record has been extraordinarily good.

There have been many changes in staff but we feel the changes were for the best for Burd School. There were two positions eliminated but the work was satisfactorily distributed among the members of the staff. In so doing, there was an adjustment in salaries that will be to the advantage of Burd School at the same time, a higher standard of employees has been obtained.

This past year has been a year of many improvements that are now being enjoyed by the members living at the school. The Women's Committee furnished a very attractive playroom for the youngest group. The tennis court was put in condition for the older girls. The kitchen and pantry were modernized. New lockers were purchased for the school and play clothing. The brickwork was pointed and the woodwork on the outside was painted. A railing was added to the front steps. Soon, a new boiler will be installed and a new mangle is ready for installation.

Once again, the Burd School staff and girls wish to express their appreciation for the time and thought given to them by the members of the Burd School Committee and the Women's Committee.

Respectfully submitted,

CHARLOTTE U. DAY.

1950 REPORT OF THE CHAPEL FOR THE HARD OF HEARING

The church's work of a ministry to the Hard of Hearing combined throughout the year 1949. No great changes took place and the general feeling is that we are a bit stronger as a church group at the close of the year than at the beginning. However, our financial set-up was changed somewhat so that we had some difficulty, but at the close of the year we were free from debt. The Choir under the able direction of Mr. J. Stokes Leeds has done and is still doing a fine piece of work in contributing to the beauty and enjoyment of our services. Sunday evenings you will find an average of seventy persons present (based on last year's figures) and most of these are regular members. However, there has been within the past year an increasing number of persons dropping in on the services. Many of these persons are making it a habit to drop in and we feel this is a tribute to our work. Dr. Price has been very helpful in this Evening Prayer Service and work for the Hard of Hearing. He has conducted quite a number of the Services including a Healing Service and the people all love him and appreciate his interest in them and their work. To Dr. Price and the

Vestry of St. Stephen's Church and the many friends we have in St. Stephen Church I offer my thanks for their support and co-operation.

Respectfully submitted,

THE REV. GUSTAV C. MECKLING,
Minister to the Hard of Hearing.

THE WOMAN'S AUXILIARY OF THE CHAPEL FOR THE HARD OF HEARING

The Woman's Auxiliary of the Chapel for the Hard of Hearing meets the first and third Tuesday of each month throughout the year in the Community House at 3 P. M. Last year we had an average attendance of twenty.

We would like to increase our membership and will welcome any woman who cares to help us in our work. If she is hard of hearing our hearing aids will enable her to understand all that goes on, and if she has normal hearing there are many things she can do to help us grow.

We had two luncheons, "Luncheon Is Served" and a "Bulletin Luncheon," and a "Spaghetti Dinner." After the dinner an illustrated lecture on "Gardens of the Southland" was given by Mrs. Worthy.

A Lawn Party and Cake Sale at the home of Dr. Price last June was quite a success in spite of the very rainy day. We cleared forty-five dollars.

Thursday, October 3rd, was the date of our annual Autumn Bazaar. At this time we work extra hard in order to raise sufficient funds to carry on our obligations for the coming year. After all expenses had been met we found we had made one thousand and twenty-three dollars and eighty-two cents. (\$1,023.82).

During the year we made the following donations: Christian Settlement House, cash \$25.00, provisions \$25.00; Educational Week for the Blind, \$10.00; Episcopal Hospital Lawn Fete, \$10.00; Community Chest, \$10.00; St. Stephen's Church, \$50.00; Chapel for the Hard of Hearing, \$900.00.

We pay dues to the Pennsylvania Branch of the Woman's Auxiliary and the North Philadelphia Convocation. We also contribute to the United Thank Offering.

At Christmas we sent thirty-six packages to the Elizabeth Price Martin League Unit No. 1, Philadelphia General Hospital.

Thanksgiving and Christmas dinners were provided for a few hard of hearing friends.

The Rev. Gustav C. Meckling and a committee from the Auxiliary take charge of St. Stephen's Tuesday Business Men's Noonday Luncheons. These began Tuesday, September 6, 1949, and will continue through Tuesday, June 27, 1950.

Last year the Auxiliary and Chapel had their annual vacation in Ocean City, New Jersey, for one week.

We have had a successful year and we wish to thank the Rector and Vestry of St. Stephen's Church, for without their co-operation it would not have been possible.

Respectfully submitted,

RUTH HOLMES BECHTEL, *President.*

ANNUAL REPORT—CHOIR OF CHAPEL FOR THE HARD OF HEARING—FEBRUARY, 1950

It seems to me a choirmaster must always open a report of this kind with an expression of his thanks and gratitude to the faithful singers who make it their business to be present pretty regularly week by week for the rehearsals and the services as scheduled. I wish to go on record in this manner.

Our last report mentioned two aims, both of which have been diligently pursued and rather successfully fulfilled. We have presented an offertory anthem at many of the services in the past months, and we have added to our list of active members a few good and helpful voices. Two of these are fine solo voices, a Soprano and a Baritone.

An alteration in our immediate plans was necessary to show our eagerness to serve the greater cause; that of the great program of St. Stephen's Church. We plan to present at our service in the evening of Easter Day "Victory Divine," by J. Christopher Marks.

To the best of my knowledge all is definitely quiet and peaceful "on the western front"; we mean that the relationship between choir, and choirmaster and minister is one of sympathetic understanding and full co-operation. We all think very highly of Mr. Meckling and are happy in our association with him.

Respectfully submitted,

J. S. LEEDS.

REPORT OF THE BIBLE CLASS

Thomas L. Beddoes, the English poet, asks a searching question in one of his least known poems:

"If there were dreams to sell, And the crier rang the bell,
 Merry and sad to tell, What would you buy?"

Men and women are dreaming many dreams these days. Perhaps the most common dream is that of world-wide Peace. Long ago our blessed Lord told us something about Peace. He said, "My Peace I *GIVE* unto you." The peace of God is a gift, and many of us need to learn how to possess it and make it our very own. This we seek to learn in the Bible class. We have just completed our 12th year and are steadily growing in our knowledge of the Bible—the greatest book in all the world—and the revelation of God to mankind.

We are not concerned with numbers though we are growing in numbers also. We have lost two of our members by death and several have moved away but we have also had the privilege of welcoming new members to the class.

"—the peace of God, which passeth all understanding—keep your hearts and minds through Christ Jesus."

Respectfully submitted,

HANNAH E. YEAKLE.

WOMAN'S AUXILIARY OF ST. STEPHEN'S CHURCH

During the past year, the Ladies' Auxiliary has held its usual number of meetings. Our delegates attending the meetings at the Church House each month have returned with excellent accounts of the activities of the various branches of Christian service, providing us with a great insight into the work being accomplished in the Diocese.

Our annual Christmas party was greatly enjoyed by the members and their friends. Mrs. Alfred Price and her quartet sang some splendid seasonal selections, and refreshments were served.

The Sisterhoods of the Reformed Synagogues of Philadelphia, under the auspices of the National Federation of Temple Sisterhoods, and with the co-operation of the Women's Department of the Council of Churches have issued an invitation to our Auxiliary to join them in a service on March 20, 1950, at Kenereth Israel Temple, to learn some of the basic concepts of Judaism and promote the belief in the Brotherhood of Man.

The total receipts for the year were \$950.00, of which \$600.00 was distributed to our regular committees. We have also sent many small gifts of money to various charities. In addition to our customary list, we have sent a contribution to Rev. N. Lascelles-Ward, Chaplain of the Philadelphia General Hospital, to be used for the purchase of cigarettes and Easter eggs for the patients.

The church needs the active support of the women of the Parish to make possible the continued growth of the Auxiliary in the missionary and charitable work of the church. I shall take this opportunity to thank the members for their helpful co-operation during the year.

Respectfully submitted,

ELIZABETH M. TINSLEY.

THE CHURCH PERIODICAL CLUB

"Seeds that mildew in the garner, scattered, fill with gold the plain." The truth of this old saying has been proved anew during the past year by The Church Periodical Club of St. Stephen's, headed by the indefatigable efforts of its supervisor, Miss Maud B. Hess, who has emerged victoriously from a welcome avalanche of some two thousand one hundred and ninety-four magazines! These magazines have been graciously donated by friends of the club and are deeply appreciated. Miss Hess has packaged and delivered them to the following hospitals in numbers as itemized herewith: Doctors, 89; Episcopal, 206; Graduate, 196; Hahnemann, 223; Jefferson, 331; Lying In, 406; Methodist, 86; Pennsylvania, 291; Philadelphia General, 103; Physicians & Surgeons, 121; St. Joseph's, 6; Temple, 53; University, 83. Miss Hess also welcomes cross-word and jig-saw puzzles, and games for children.

Gratefully submitted,

SUSAN C. THACKARA.

THE BENEVOLENT SOCIETY

Once more we express our appreciation of the support given us during the past year since without your help we could not have continued. We trust we will receive even greater assistance during the coming year that we may be in better position to meet the increasing calls for the articles we have been furnishing the various hospitals and institutions.

This past year our sewing output consisted of three thousand four hundred and twenty-eight pieces distributed to the Germantown, Jefferson, Presbyterian and Woman's Hospitals.

We were very fortunate in getting Mrs. Harry J. Hauger as a new member; she has proven to be a very efficient and faithful addition to our forces.

We received a very acceptable donation from the Price Hospital consisting of four boxes of sewing cotton and four rolls of tape. These articles are very useful.

YOUR SUNDAY SCHOOL DURING 1949-1950

We are glad to be able to report further progress in the work of the Sunday School.

The most concrete evidence of this was apparent on Confirmation Sunday when the following Sunday School pupils were confirmed:

Carol Austin, Emil Fink, Enos B. Otto, and Donald Adams.

We have delivered these pupils to the full status of Christians. We hope to retain them for the balance of the year in the Sunday School. Thereafter, we look forward to their becoming regular and useful members of our Congregation. The latter can be of great assistance if they will be on the lookout for these young people and see to it that they find useful places and work in the Christian life of our Church.

Our primary class—infants to about six years of age—continues under the able leadership of the Rector's wife, assisted by the Misses Smith and Reed. Facilities in this class are available for the very youngest of children and all parents are invited to bring such children to the classroom on the first floor of the Community House while they themselves attend the Church service. The children receive the best of care and, at the same time, are started along the road to religious education.

In the three upper classes there is combined handiwork, visual education and lectures. The three classes now meet on the third floor of the Community House. The two rooms in use there are beginning to acquire the aspects of real classrooms. All parents and members of the Church as well as all of our friends are invited to visit with us on any Sunday morning and see what is being done.

Nationally, we are following with a great deal of interest the efforts of the Department of Christian Education looking toward a curriculum and uniform teaching materials. When these two things materialize we should be in a much better position to afford to the pupil a definite program of religious education.

We have approximately 60 pupils on our rolls at the present time and are averaging an attendance of 40 pupils per week. We operate in a neighborhood of transients and there is a large turnover but we try, when a change is necessary, to see to it that the pupil is acquainted with the facilities of a Sunday School in the new neighborhood.

Members of the Congregation and friends of our Church are requested to do all in their power to report to the Superintendent and the Teachers any child whom they feel will fit into our group or who should be in our Sunday School. By your help and the help of the parents we can and will effectively enlarge our work.

Thanks is due to Mrs. Price, Miss Smith, Miss Reed, Miss Ball and Miss Campbell for their untiring and unselfish devotion to our continued efforts along the road of religious education.

Respectfully submitted,
EDWIN S. HEINS, *Superintendent Church School.*

MOTHERS' MEETING — 1949

The Mothers' Meeting is held every Thursday evening in the Community House, from October until May. We have missed only one evening which was Thanksgiving and our total attendance has been very good.

Our many enjoyable evenings together have been both educational and entertaining.

The Abbotts Dairies entertained us one evening with a motion picture travelogue of Spain and also the manufacture of ice cream. Another evening the Holland Laundry showed us a movie of Mexico. Mrs. E. Davis showed the group Biblical slides. Mr. Clarence Davis gave a pre-Thanksgiving talk on things we should be thankful for.

We held a Bazaar and Dinner and were quite happy that they proved such a success.

Once a month we hold a quiz show which we all enjoy.

We held parties on Hallowe'en and Christmas and everyone had a nice time.

We are always happy to see Dr. Price when he stops in to talk with us and give us spiritual guidance.

We were saddened by the passing of four of our members: Miss Anna Shetter, Mrs. Miller, Mrs. Hunter and Mrs. Yerkes.

In closing I would like to say I consider it a privilege and honor of being the leader of this fine group of ladies.

Respectfully submitted,
MRS. LIDA TRAUTNER.

REPORT OF G. F. S. SPONSOR GROUP ST. STEPHEN'S CHURCH

This report is being written about three months previous to the end of our year, so it cannot be a full account of our season's activities.

Interesting and educational talks have been given the group by Miss Elizabeth Beatty, who told us of the work being done by the GFS in Alaska; by Mrs. John Lever, who spoke of the work being done by the Episcopal City Mission to help the blind in Philadelphia; and by Mrs. Dickhart, who gave us a splendid description of her experiences last sum-

mer in England. Dr. Price and Dr. John Hart have met with us for supper, and have given us spiritual help and inspiration. A representative of the Philadelphia Dairy Council was with us one evening, demonstrating in an unusual and entertaining manner the benefits to be obtained by the use of its products.

We joined with other Branches in the Diocese last spring in working for the Oxford Market—a bazaar held on the lawn of Trinity Church, Oxford, the proceeds from which go into the Diocesan treasury. Also, we shared in supplying milk and gingerbread for the GFS Booth at the Episcopal Hospital Fete.

Packages were sent in the fall to Caney Creek Community Center, in Kentucky, and to the men and women at the Harrison Home, for Christmas; and many children's dresses have been made by Miss Mockett (despite her illness), which have been sent overseas through the Friend Committee. Always we are anxious to share in providing for needed improvements for St. Stephen's Church, and we contributed toward the new refrigerator, the Organ Fund, and the Chimes.

Our group joined with the GFS Branches throughout the country in a Corporate Communion on November 6th—the Sunday nearest All Saints' Day, and several of our group attended a District Conference held at St. Thomas' Church last fall.

We have had our usual evenings of fun, as the holidays came along—at Hallowe'en, Christmas, and Valentine's Day, and on our closing night last spring, we celebrated (as always) with a special dinner, though, for that matter, our dinners every Monday evening are "special," as we are fortunate in having a splendid cook in our membership.

Money for our activities and contributions is gathered in various ways—from individual contributions; from the sale of costume jewelry, Christmas and other cards, etc., and \$45.00 was added to our fund last spring by the Supper Committee. When one considers that only fifty cents is charged each member for supper, it is amazing that any profit can be earned; but we have a thrifty and economical Supper Committee.

We lost one member during the season—Mrs. Ada Martin, who was a loyal and true friend to all of us.

Respectfully submitted,
BERTHA T. WALSHE, *President.*

TROOP 2 B. S. A.

SCOUTMASTER'S REPORT FOR THE CHARTER YEAR

FEBRUARY 15th, 1949 TO FEBRUARY 15th, 1950

Troop 2 started its charter year on February 15th, 1949, with an enrollment of 18 Active and 6 Associate Scouts; an Associate Scout being one who is unable to attend meetings or to participate regularly in troop activities because of employment or the demands of higher education. During this period we added 14 new members to our active membership, promoted two to Assistant Scoutmaster, transferred two to Associate status, transferred one out of the troop and dropped five; while to our Associate membership we added the two transferred from our Active list, promoted one to Assistant Scoutmaster and graduated four to our Troop Alumni who were too old to re-register—being 18 years of age or older. This left us on February 15, 1950, with 22 Active and 3 Associate members, of which 18 were "Explorers."

By a new ruling of the National Council, effective September 1st, 1949, all Scouts, upon attaining their 14th birthday, automatically become "Explorers" and are entitled to engage upon a more mature program under the leadership of an "Explorer Adviser," who must be an adult 21 years of age or older. "Explorers" are still part of the Troop, however, and those holding the offices from Junior Assistant Scoutmaster to Assistant Patrol Leader meet regularly with the Troop and continue to fulfill the duties of those offices. The "Explorer Crew" holds separate meetings, but its members may also meet with the Troop if they wish to do so.

As to senior leaders, we operated throughout the year with a Scoutmaster and three Assistant Scoutmasters, only one of whom, however, could devote full time to the job. The other two because of working their way through college gave such time as they could spare, for which your Scoutmaster wishes to express his sincere appreciation. None of the three were able to attend summer camp in 1949. Although we start the new charter year with five Assistant Scoutmasters, the situation remains unchanged because three are in college, one is in the Navy and one is employed, but we are hoping that one or two of them may be able to attend summer camp next July when their assistance is greatly needed.

The highlight of the past year was our summer camp at Treasure Island on the upper Delaware River, where, thanks to the generosity of our Sponsor, St. Stephen's Church, we were able to spend two wonderful

weeks during the hottest part of July. Twelve Scouts attended under the senior leadership of your Scoutmaster, who was again privileged to be with them. Ten Scouts went for the entire two weeks and two for one week. While there, the boys progressed in their advancement program, five completing the requirements for First Class rank and the Troop participated in three Island-wide contests: a nature scavenger hunt, a treasure hunt and an aquatic meet. They scored first place in both the scavenger hunt and treasure hunt and marched back to our camp site in triumph carrying the treasure—a large watermelon—which we devoured while seated around the camp fire that night. We did not place *as a troop* in the aquatic meet, but Stanley Szczurek won second place in the 50-yard swim.

The cost for Camp was \$355.00, towards which St. Stephen's Church generously contributed \$95.00, the balance being paid by the boys or their individual sponsors. The breakdown of costs shows:

10 Boys for 2 Weeks @ \$14.00 per Week.....	\$280.00
2 Boys for 1 Week @ \$14.00 per Week.....	28.00
Health and Accident Insurance @ 50¢ per Week per Boy.....	11.00
Transportation and Supplies.....	36.00

Total \$355.00

Throughout the year we endeavored, as always, to provide an active and attractive program that would appeal to the boys' interest and stimulate advancement, and to that end our activities included:

- 1—26 days and nights in camps including 14 nights at Treasure Island.
- 2—15 one-day hikes.
- 3—Attending ice hockey game at the Arena.
- 4—Attending a baseball game at Shibe Park.
- 5—Monthly swims at the Central Y. M. C. A. pool.
- 6—Visit to City Hall radio tower.
- 7—Outdoor meetings and softball games during the summer.
- 8—Swims at Sunset Beach, N. J.
- 9—Visits to Franklin Institute.
- 10—Two flights in a C-47 plane with the U. S. Air Force.
- 11—An overnight cruise, 76 miles to sea, with U. S. Navy.
- 12—Attending Tom Morehead Sports Quiz at WFIL where Eugene Redden won a basketball and Arnold Friedman 4 tickets to the Ice Arena.
- 13—Setting up a scouting display during Boy Scout Week in the lobby of the Beneficial Saving Fund Society.

Nine scouts spent ten or more days and nights in camps, counting only seven for our summer camp. There were only two scouts who had been with the Troop over three months who did not spend a night in camp. We had ten advancements in rank, five of them to First Class and one Merit Badge earned.

The Troop participated in the Southern District Annual Camporee in June and while there took part in the inter-troop scoutcraft contests, winning second place in its area and sixth place for the entire camp of some thirty troops. Considering that we had no first-class scouts in the contests, although competing against troops that had, I think the showing was praiseworthy.

As to Community service:

- 1—We sent a colorguard to the V. F. W. parade.
- 2—Ushered at the Inquirer Music Festival in the Municipal Stadium.
- 3—Provided a service detail for the Pennsylvania Hospital Fete.
- 4—Distributed 100 Red Cross Blood Bank posters.
- 5—Distributed 100 posters for the Philadelphia Highway Traffic Board Safety Campaign.
- 6—Made repairs with rocks and dirt to the road leading into Camp Biddle, filling in some of the worst mud holes.
- 7—Built a flight of sixteen steps up a steep bank in the camp.
- 8—Built a 20-foot bridge across the creek.
- 9—Contributed to the Philadelphia General Hospital gift collection and to the George H. Streaker Memorial Fund.

No service has been requested by our sponsor, but we have tried to cooperate by helping to keep our meeting rooms clean and by making minor repairs.

We acknowledge with thanks and express our sincere appreciation for the donation of \$95.00 from St. Stephen's Church towards our summer camp and for the boxes of candy at Christmas; donations of \$5.00 from the Mothers' Meeting and of \$1.50 from Miss Susan C. Thackara, \$2.00 from Mrs. Dickart and \$1.00 from Mrs. Smith towards the card party given in February for our Explorer Crew. We also express our thanks and sincere appreciation to Mrs. Frederick Schmid and the King's Daughters for making up our Troop neckerchiefs.

While the Troop is far from perfect and due to the actions of a few members here at home has been relegated more or less to the "dog-house," for which we apologize and for which we are trying to make amends; based on its over-all record for the year as herein outlined and, in addition, to the fact that for our year's work we have been granted a "First Award" in the campaign to "Strengthen the Arm of Liberty" and for the second consecutive year have won the "Red Star Award" for achievement, I feel that all in all the boys have done a good job and deserve commendation.

The National Scout Jamboree, at which 40,000 Scouts are expected from all parts of the country, will be held at Valley Forge from June 29th to July 6th, 1950, and each Philadelphia Troop is entitled to send two Scouts, but since the cost will be \$60.00 per boy and since our main target now is our summer camp at Treasure Island, it seems improbable that Troop 2 can be represented. In suburban communities, where the local Troop is a center of common interest, the cost is financed by community subscriptions, 60 subscribers at \$2.00 each being sufficient to send two boys to the Jamboree. With our central city Troop, however, the situation is quite different, for while we have many kind friends, there is no real community spirit behind the Troop such as is possible in suburban areas.

We are thankful for the opportunity of going to summer camp and are all looking forward eagerly towards July when we plan to go once more to Treasure Island for two weeks.

With thanks to the members of our Troop Committee and to both the Senior and Junior leaders of the Troop for their valuable assistance and cooperation which enabled us to bring the charter year 1949-1950 to a successful close.

Respectfully submitted,

JAMES O. LYMAN, Scoutmaster.
